

Potential Questions for Your Local Driver Service Center

The following are some potential questions you can ask your local driver service center. It would be a good idea to call or visit, as the law has been in effect since July 1 and we want to be sure that people are not being turned away improperly. These questions are not designed to trap anyone, but will let you know if the requirements have been communicated at the local level.

- **I've heard you can get a free photo ID for voting—can I get one here?**

If you're at one of the 49 listed driver service centers, the answer should be yes, unless you have another valid form of photo ID for voting purposes.

- **What kind of documents do I need to get a free photo ID for voting?**

1. A voter registration card,
2. Proof of citizenship (such as a birth certificate)—you **MUST** have the **ORIGINAL**; no copies will be accepted, and
3. Two proofs of Tennessee residency (such as a copy of a utility bill, vehicle registration/title, or bank statement).

Check with your local Department of Safety Office to be certain of the documentation you will need to bring with you.

- **Do I have to sign anything?**

Yes—persons seeking a free photo ID must sign an affidavit under penalty of perjury stating that the ID is for voting purposes only and that they have no other form of valid photo ID for voting purposes.

- **I already have a driver's license/handgun carry permit/V.A. identification/etc.—can I still get a free ID?**

No—only voters who have no other form of valid photo ID may receive a free ID.

- **I have a driver's license, but it doesn't have my photo—can I add it for free?**

Yes, and that person should only have to present a voter registration card.

- **Am I required to have my photo added to my driver's license, or can I get a separate ID for voting purposes?**

*As long as you meet all the other requirements for obtaining a free photo ID for voting purposes, it is **YOUR CHOICE** if you want to add your photo to your driver's license or get a separate photo ID for voting purposes.*

- **Is there is a charge to obtain a photo ID for voting?**

*No. There is no charge to obtain a photo ID for voting purposes **IF** you do not have any other valid form of photo ID for voting purposes.*
